

At APPF, our commitment to excellence and innovation makes us a premier choice for your Radio Frequency Welding and Industrial Sewing needs. Situated in Orange County, CA, we have established ourselves as a renowned American company with a distinguished reputation.

Our proficiency lies in working with PVC and TPU materials using cutting-edge technology. Our facility boasts state-of-the-art Forsstrom RF welding machines and computer-driven cutting equipment from ZUND, enabling us to achieve the highest standards of precision and quality. With over 40 years of collective professional experience, our dedicated team has contributed to the generation of 12 US patents, showcasing our expertise in fields such as inflatable structures, fluid containment systems, and Large Area Maintenance Shelters (LAMS).

Our clientele includes top-tier brands across the medical, military, and consumer industries worldwide. They have placed their trust in our capabilities, a testament to the reliability and excellence that define us. By choosing APPF, you're selecting a partner committed to delivering exceptional results.

Send us your project request today, and discover firsthand why we are the preferred manufacturer for RF welding and industrial sewing requirements. Experience our unparalleled proficiency and join the ranks of satisfied clients who have witnessed our commitment to turning ideas into reality.

Founded by a US Navy Veteran in 1987, and held to the highest standards of quality and on time delivery.

SBA Certified Small Business

FDA Class 1 Certified

Unique Entity ID:

CBEHJXUQ99M5

CAGE: 1NLJ3

NAICS Codes:

- 326199– All Other Plastics Product Manufacturing
- 313230– Nonwoven Fabric Mills
- 314999– All other Miscellaneous Textile product mills
- 326111– Plastics Bag And Pouch Manufacturing
- 326112– Plastics Packaging Film And Sheet (Including Laminated) Manufacturing
- 326130– Laminated Plastic Plate, Sheet (Except Packaging), And Shape Manufacturing.
- 326150– Urethane And Other Foam Product (Except Polystyrene) Manufacturing
- 326299– All other Rubber Product Manufacturing
- 336360– Motor Vehicle Seating And Interior Trim Manufacturing
- 337910– Mattress Manufacturing
- 339113– Surgical Appliance and Supplies Manufacturing
- And others

Capabilities:

- Radio Frequency Welding of Plastics (PVC) and Urethane (TPU) Materials
- Commercial Sewing
- Screen Printing and Hot Stamping
- Design & Engineering

We build everything from first-aid kits to Large Area Maintenance Shelters (LAMS) and everything in between.

Certifications:

- FDA Class 1 Certified
- ISO 9001:2008 Compliant
- Multiple contracts with DLA troop support.
